Exclusive Wedding Packages

2022/23

Our exclusive wedding package at Blackmoor is tailored for 60 guests during the day and 100 guests in the evening. Upon arrival, guests will be greeted with a glass of bubbles and a selection of canapes, whilst the bride and groom make the most of the stunning backdrop for show-stopping photos. Guests will then be seated to feast on a three-course fine dining meal, tailored to suit any taste or dietary requirement. The celebration will conclude with an evening buffet and private bar, whilst guests dance into the early hours.

Our dedicated event organisers will ensure a truly memorable occasion, giving you access to our wide network of musicians, florists, cake-makers and more.
